

# **The Governor in Shida Kartli hosted the Ambassador of Lithuania**

26 September 2018

Giorgi Khojvanishvili met Giedrius Puojunas, -Extraordinary and Plenipotentiary Ambassador of Lithuania in Georgia. The Ambassador introduced to the Governor recreational area arrangement project on the territory of the former brick factory which is being jointly executed by Georgia and Lithuania. Attractions, paths for bicycles and sculptures will be located within the project. Cafes will be also opened. „I am glad that our collaboration contributes to the purpose which is called improvement of eco-system and environment protection. The project is definitely necessary and important for Khashuri population. I hope, we will gather soon in order to open the Park of Khashuri”, -said State Representative. The park will be accredited the status of the recreational area in the future. The project is going on within the bilateral memorandum.
