

The Governor in Shida Kartli got familiar with the population of Imereti street, in Khashuri

11 October 2018

Giorgi Khojevanishvili was in Khashuri and with the mayor of the municipality got familiar with the needs of the population. He examined Khashuri #7 Public School, talked with the teachers and pupils. He also had a meeting with the population of Imereti street. The inhabitants of this street have been threatened by the river Shola for a long time during the bad weather and abundant rainfall. According to the Governor, the riverbed will be cleaned and the issue will be resolved step by step.
