

# **The Consultation Council Session was Held at Governor's Office**

24 December 2018

Giorgi Khojevanishvili held the consultations council session at State representative's office. The Mayors of four municipalities of Shida Kartli, the chairmen of city halls and their deputies attended the session. The heads of the region discussed the implementation of the projects in the region and the projects funded by the high mountain settlement development fund in 2018. They also talked about the 2019 action plan of Shida Kartli regional development strategy in 2014-2021. GEL 10 000 000 more in total 182 projects are being planned next year which must be implemented by the financial supporting of the funds of the local budget, the projects implemented in regions and the high mountain settlement development. The consultation council of the State representatives office, meets once in three months.
