

The State Representative Met with Giorgi Eristavi Theater Troupe Members

26 December 2018

Giorgi Khojevanishvili met with Giorgi Eristavi Drama Theatre troupe members and its staff. The discussion dealt with the existing situation at the theater and challenges. Nowadays big and small experimental stages are functioning at the building . ,, Eristavi Drama Theater is one of the visit cards of Gori which has a distinctive place in the theatrical world. I am greatly honoured to meet and talk with you. It is very important for you to have relevant working conditions in order to suggest audience perfect production. Within our competencies, we will be in the best possible way for improving the situation, ”-said Governor.

Giorgi Khojevanishvili inspected the theatre building and got familiar to the future plans from the representatives of the theater.
