

Residents of the village of Lamiskana chose the projects within „Village Support Program ”

01 February 2019

Levan Izoria, -the Minister of Defence of Georgia, Giorgi Khojevanishvili,-the State Representative in Shida Kartli, Irakli Mezurnishvili,-Kaspi Majoritarian MP and the representatives of the local government attended the community meeting held within “Village Supporting Program” in the village of Lamiskana at the Kaspi Municipality , at the Orbelianis’ Palace.

Three projects will be funded in Lamiskana this time: According to the locals’ decision, the interior roads will be gravel-surfaced within “Village Support Program. Considering the wishes of the village population and by the initiative of Levan Izoria, the Ministry of Defence will fund arrangement of the village stadium. The Kaspi Municipality will provide school fencing.

Implementation of “Village Support Program” has been reinstated since 2019. The projects which are financed by “Village Support Program” will be selected due to the consultations with the village residents and the solutions of the community meetings.
