

The Representatives of the Government met with the Residents of the Village Chorchana at the Occupation Line

19 February 2019

Giorgi Khojevanishvili,-the State-Representative in Shida Kartli, Ruslan Abashidze,- the Deputy Minister at State Ministry for Reconciliation and Civic Equality, Giorgi Guraspashvili,-the Mayor of the Khashuri Municipality met the locals of the village of Chorchana which is situated at the occupation line.

The representatives of the government and the locals discussed about the requirements just at the spot. The issues of the road rehabilitation and water supply were focused on.

„Together with the occupation line, Chorchana has a status of high mountainous village. The locals can have all the benefits offered by the state. As for infrastructure improvement, we are planning to solve the problem of potable water and straw the roads with the gravel in the current year, but we'll plan capital rehabilitation of the road. One of the main priorities of the state is to improve the conditions of the residents of the villages at the occupation line. And we intensively collaborate with the central and local governments,”-said the State-Representative of Shida Kartli.
