

# Arranging of Road Infrastructure is Going on in Kareli

23 March 2019

The first stage of implementation of planned infrastructural projects in 2019 in Shida Kartli region has already started. The State-representative Giorgi Khojevanishvili with his deputies and the Mayor of the Kareli Municipality was in Noneshvili street, in Kareli and looked round the current works. Apart from the mentioned street, Ketskhoveli street, Tsabadze, Kazbeghi, Marjanishvili and Pirosmani cul-de-sacs will be rehabilitated by financing of the fund of planned implemented projects in regions. According to the State-representative, the project also includes road signs together with asphaltting. Asphaltting works of Kobesaant Ubani-Vedreba-Sanebeli, Kareli-Leteti, Zemo Shakshaketi, Abisi-Abistavi, Ptsa-Ghogheti, Gulikaant Ubani and in the refugee settlement in Akhalsopeli are planned this year in the Kareli Municipality by financing of the fund of planned implemented projects in regions.
