

Changing of Damaged Water Pipes is Going on in Berbuki IDPs Settlement

13 April 2019

Amiran Kristesiashvili, the Deputy of the State Representative in Shida Kartli examined the process. The works are being done by the public services and amenities of Gori Municipality City Hall. "One of our main priorities is to solve IDPs' problems, that is why we are constantly in contacts with them. At the same time, my curator direction is definitely the IDPs and issues related to them. Therefore, we are fully aware of the challenges we face and step by step in terms of their interests, we are planning to arrange and implement various projects in the local municipality, it will be road constructing to settlement or other infrastructure problems", -said Kristesiashvili.

The Deputy of the State Representative also talked with the locals and provided them with the information about those infrastructure and social projects which are planned for improving of the IDPs' living conditions. According to him, the regional administration and local self-government are closely cooperating with the relevant services so that the living conditions of IDPs will be significantly improved.
