

Central Football Pitch was Opened in Kaspi

25 November 2019

Giorgi Khojevanishvili,-the State Representative of Shida Kartli, Irakli Mezurnishvili,-the MP of Kaspi, Levan Kobiashvili,-President of the Football Federation, Mikheil Kavelashvili, the authorities of the local self-government attended the pitch opening ceremony together with the local population and young sportsmen.

The Central pitch in Kaspi was built by the financial supporting of the Fond of Regional and Municipality Development and the Football Federation of Georgia. Within the framework of the project, a podium and a press box for 500 people were arranged on site, a high quality artificial pavement was installed, a lighting system was installed and a sports school building with administrative facilities and dressing rooms were renovated. The area of the new pitch has one standard size and one mini square.

After the opening ceremony, a friendly match was played between the veteran players of Kaspi "Gantiadi" and "Dinamo" Tbilisi at Kaspi Central Pitch.
