

Rehabilitation Works of Pza-Ghogheti Road have been Completed

28 November 2019

Shida Kartli State Representative,-Giorgi Khojevanishvili, his Deputy,-Simon Guledani and Zaza Guliashvili,-the Mayor of Kareli Municipality City Hall met with the locals of the village Ghogheti in Kareli Municipality. The government officials discussed with the locals those issues which are priority for Kareli Municipality. They also discussed about the future plans. The State Representative also visited the newly rehabilitated road between Pza and Ghogheti. The project was financed by the fund of the projects to be implemented in regions and in total, GEL 2 300 000 was spent. Within the framework of the project, besides the highway, drainage system was also arranged. The updated infrastructure will benefit more than 500 families. Arranging of sport infrastructure has also been completed in the village of Ghogheti. By the solution of the villagers , the mini pitch has been also rehabilitated within the program of the village.
