

The International Day of the People with Disabilities was Celebrated in Gori

03 December 2019

Giorgi Khojevanishvili,-Shida Kartli State Representative together with Konstantine Tavzarashvili,-the Mayor of Gori Municipality City Hall and the other officials of the local government visited the Centre of Welfare and Development. The State Representative congratulated the beneficiaries of the centre and attended the event organized by the centre. The representatives of the government gifted the beneficiaries with symbolic presents. Later they also visited the enamel, modeling and sewing workshops. The beneficiaries themselves make handicrafts and participate in exhibitions as well.
