

# **With the support of USAID ZRDA project, the outbuilding of the kindergarten in the village of Kveshi was Rehabilitated**

09 January 2020

From now on, the kindergarten will serve more than one hundred children. The opening ceremony was attended by Anna Lapachi,- Head of Shida Kartli Regional Administration.

Rehabilitation of the new outbuilding of the kindergarten in Kveshi was carried out as a result of USAID ZRDA project, in cooperation with OSCE and Gori Municipality Preschool Agency. In the framework of the project, full rehabilitation works were carried out on the third outbuilding of the kindergarten and one of the existing outbuilding of the corridor.
