

Advantages were introduced in order to continue agricultural activities smoothly

22 April 2020

According to the decision of the Interagency Coordinating Council under the leadership of the Prime Minister, in order to continue the agricultural activities in the regions, specifically in the villages, traveling by cars will be allowed by the hour.

At the same time, pesticide and poison stores are operating smoothly in the region. Shida Kartli State Representative Giorgi Khojewanishvili got acquainted with the work process of the store on the spot and received comprehensive information. According to the State Representative, spring works are underway in the region and these regulations are important for the smooth implementation of agricultural work. "It has been decided that agro-shops will operate during the period when farmers will be able to move freely, and also agro-shops will provide farmers with agrochemicals and pesticides on the spots," - he said.

In order to carry out agricultural work, from 06:00 to 08:00 in the morning and from 18:00 to 19:00 in the evening, citizens will be able to carry out agricultural work.
