

Agrarian market in Gori will resume functioning

29 April 2020

Agrarian market which is located in Tsminda Tskali settlement will resume working tomorrow. The recommendations of the National Food Agency are fully protected at the trading facility. Giorgi Khojevanishvili, -the State Representative of Shida Kartli, Solomon Pavliashvili, -Deputy Minister of Environment and Agriculture, Konstantine Tavzarashvili, - Mayor of Gori Municipality, representatives of the National Food Agency and the Ministry of Environment Protection and Agriculture visited the agrarian market. They got acquainted to the situation at the market, how prepared it is for farmers and customers.

The market administration is obliged to ensure the protection of the flow of customers in order to prevent infection with COVID 19, for which the entrance and exit of the trade facility are separated by indicating the relevant signs.

Also, the disinfection of the territory of the trade object should be carried out intensively, after the resumption of the functioning of the market, the buyers will not be allowed in the area without a face mask and disposable gloves. Adherence to established rules will be strictly controlled.

As part of the gradual easing of restrictions imposed by the state of emergency, open-type agrarian markets in Georgia have been allowed to resume operations since April 27. However, it is mandatory for them to comply with the recommendations developed by the Ministry of Health and the National Food Agency.

For those interested, there is a hotline of the agrarian market - 551 191 858
