

Rehabilitated building was presented to Kaspi Emergency Medical Center

04 May 2016

Kaspi Municipality Governance rehabilitated and equipped a building and presented it to Kaspi Emergency Medical Center. Opening ceremony was attended by the Acting Governor of Shida Kartli Ioseb Okromelidze, The Director of Kaspi Emergency Medical Center, The Governor of Kaspi Municipality Gocha Gochitashvili and deputy Governors.

Till now up to 40 employees of the Emergency of the Region were located in three rooms in a private clinic where there were no appropriate conditions for working and rest.
