

# **The international and internal tourism is integrated by Expo Batumi**

15 May 2016

“The international and internal tourism is integrated by Expo Batumi” – The 9th International Trade Fair for Tourism and Hotel Hospitality Industry, “Expo Batumi 2016” was officially opened with the mentioned slogan on May 13. During three days visitors will be able to see the products represented by sixty companies in the hotel “Sheraton”.

It is the first time that Gori tourism potential is represented on the exhibition in Batumi. Non- Commercial Legal Entity, Gori tourism development agency offered the information to the interested persons and companies about the tourism objects of Gori and Shida Kartli as a whole. As the Agency representatives say the information is spread about international festival of choral music and about international comedy festival.
