

# **Regional Consultative Session was held in the assembly hall of Shida Kartli Governor's administration**

19 May 2016

The next meeting was held within the frameworks of Regional Consultative Session in the assembly hall of Shida Kartli Governor's administration. The meeting was traditionally led by the active governor of Shida Kartli, Ioseb Okromelidze who discussed current and realized regional projects with the regional representatives. Kareli and Khashuri municipality issues about the water supply and land reclamation were the main objects of attention. The current projects and challenges of municipalities within the framework of Village Support program were also discussed during the Regional Consultative Session.
