

New projects will be accomplished in the alpine settlements of Shida Kartli

02 June 2016

The next meeting was held within the frameworks of Consultative council in Shida Kartli Governor Administration. There were discussed project accomplishment processes and issues around the Mountain Law.

The consultative council was led by Shida Kartli Governor Ioseb Okromelidze.

The abovementioned law stipulates 10 million Gels for the alpine settlements, which are included in the list of alpine settlements villages. The money will be spent on infrastructural projects.

The projects endorsed by the assembly were represented to the Consultative Council by Kareli, Khashuri and Kaspi municipalities. The projects will be sent to the Ministry of development and infrastructure of Georgia.
