

Ambassador of Switzerland to Georgia opened "Firendship garden" in Gori

21 June 2016

Ambassador of Switzerland to Georgia, Lukas Beglinger attended nursery farming of Gori municipality. He was satisfied with the works done by probationers. Indeed, he mentioned that involvement of these people will help them to be socially integrated. Governor's administration of Shida Kartli and Gori City Hall representatives also attended the meeting.

The abovementioned representatives with Lukas Beglinger opened "Friendship Garden". There were greenery planting activities in the garden. Amiran Shavshishvili, Deputy Governor and Gori city Hall representatives were also involved in the activities. Shavshvishvili said that the local administration welcomes this kind of activities and is always keen on to be involved.
