

# Three kindergartens will serve more than 500 children in Kaspi

05 July 2016

The active Governor of Shida Kartli, Ioseb Okromelidze and Deputy Governor, Amiran Shavshishvili with the local government representatives attended №1, №2, and №3 kindergarten rehabilitation work processes. The Rehabilitation works are financially supported by Regional Fund. There had been studying 420 pupils in these buildings before the rehabilitation. Indeed, new groups will be added to the kindergartens, consequently 90 more pupils will be able to get service. The rehabilitation work processes will be finished in August of the current year. Kaspi №1, №2, and №3 kindergartens could not function properly as the buildings were under the need of rehabilitation. Company "Perlit-Georgia" works on this project. The rehabilitation works totally cost 706 130 Gel.
