

Ioseb Okromelidze attended Sport-Complex construction process in Kaspi

06 July 2016

The active governor of Shida Kartli, Ioseb Okromelidze with the local government representatives attended Sport-complex reconstruction-rehabilitation works in Kaspi.

There will be competition hall for 600 people and training-fitness centers. Within the frames of this project old hotels are also rehabilitated. Indeed, foreigner and Georgian sportsmen will have a rest in new hotels of Kaspi.

The sport-complex reconstruction-rehabilitation works are financially supported by “World Bank” and Municipality of Kaspi. The total cost of the project is 2 469 049 Gel. The construction works are done by LTD “Blok Georgia” and will be over in autumn of the current year.
