

Community Center was opened in Tkviavi

09 September 2016

A Community Center was opened in village Tkviavi of Gori Municipality. It is the fourth Center in Shida Kartli. The Ministry of Justice, Tea Tsulukiani, Acting Shida Kartli Governor, Ioseb Okromelidze and representatives of the local self-government attended the opening.

The population used to apply for service Gori Public Hall, from now on the local people will be able to receive up to 200 public and private services without leaving their village. At the same time they will use free internet, the conference hall and the library.

„The fourth Community Center was opened in Shida Kartli. From now on the local people will be able to easily and without leaving the village receive different services, including private service. Such Center is very important, because it will contribute to development of the village and civil involvement of the population“– stated the Governor.

The center will provide service to more than 20 000 citizens of the villages: Plavismani, Marana, Plavi, Tirdznisi, Brotsleti, Ergneti, Tergvisi, Megvrekisi, Mereti, Karbi, Kere, Zardiaantkari, Gugutiaaantkari, Koshka, Ditsi, Kordi, Arbo, Dzevera, Satemo, Kitsnisi and Shertuli.
