

№1 Kindergarten was opened In Kaspi

12 September 2016

In Kaspi №1 Kindergarten rehabilitation works were finished. The Deputy Governor, Amiram Shavshishvili and Acting Shida Kartli Governor, Ioseb Okromelidze, together with the representatives of the local self-government congratulated the beginning of the school year to the teachers and the pupils of the kindergarten.

“It is very important for the children to learn in healthy environment, this will contribute to their full development. Together with the rehabilitation of the kindergartens several infrastructural projects are underway in Kaspi at the moment. That’s exactly our aim to live in better environment” – stated Ioseb Okromelidze.

The mentioned kindergarten is one of those three who needed complete rehabilitation works. There are 172 children in the kindergarten, 31 of them are from Metekhi settlement. The building needed thorough renovation, the inventory was changed too. The rehabilitation works were fulfilled by the Company “Perlit-Georgia”. The total price of the rehabilitation works amounted to 706 130 GEL.
