

Ministry of Sport and Youth was in Kaspi

08 October 2016

Ministry of Sport and Youth, Taniel Khechikashvili, was in Kaspi and he visited the football specialized school together with Acting Governor of Shida Kartli, Ioseb Okromelidze. The visitors had a meeting with the children and their teachers. The Minister gifted little footballers with football equipment and uniforms. "It is very important to create the appropriate environment for the sportsmen. It will grow their motivation and productivity, this we shall promote development of their successful sport career", - the Minister stated. The representatives of the Government went to see the building sports complex. The project includes a competition hall for 600 people, as well as training and fitness centers.
