

Ioseb Okromelidze visited the family in Kaspi Municipality

29 October 2016

The house of Beglarishvili family burned down a few years ago and now they are living intolerable conditions, in the van with a little child. With the help of their relatives they managed to build the walls. Acting Governor of Shida Kartli Ioseb Okromelidze with Kaspi Municipality Governor Gocha Gochitashvili visited the family in village Doesi, Kaspi Municipality and were introduces situation on the ground. The family is socially vulnerable. Due to some issues their status has temporarily suspended. Also, it was decided to support the family with wood to complete the construction of the house. In particular, the floor will be laid, the windows will be overlap and reinstalled. The Governor explained them about all the procedures, after which they will be able to take advantage of this assistance. "Winter is coming and the family with a child is living in a carriage, which is also damaged. More work is needed to ensure that a similar situation with decent conditions for our citizens in future. Some issues related to social service will be resolved in the near future, as for us we will contribute to the construction of the house as soon as possible and complete the basic living conditions for them. At this stage the Municipality will find the alternative place for them" – stated Ioseb Okromelidze.
