

The Governor of Kareli Municipality presented its annual report

01 November 2016

The Governor of Kareli Municipality Zaza Guliashvili presented the annual report of the work that was conducted in his Municipality. Acting Governor of Shida Kartli Ioseb Okromelidze attended the ceremony. The governor of Kareli municipality gave the presentation about the society, cultural and infrastructural projects which were implemented under his leadership. Major infrastructure projects have been implemented by that time, which cost about 25 million GEL. The government also talked about the upcoming projects in 2017. The Governor noted that main priority of the municipality stays the development of infrastructural and socio-cultural programs that will improve the socio-economic in Kareli district. The governor thanked Zaza Guliashvili for the work he conducted in his region.
