

The Governor met the population of Elektrofication

13 January 2017

Acting Governor of Shida Kartli Ioseb Okromelidze, Mayor of City Gori Zurab Jirkvelishvili together with majoritarian parliament member of City Gori Ioseb Makrakhidze met the population of Elektrofication. The meeting was focused on the needs of the locals and ongoing infrastructure projects of this settlement. Local government officials and the locals discussed their current living situation and outlined some plans, which will be implemented in 2017. "It is impossible to solve all the problems at the same time, but step by step it is we will solve it" – stated the Governor. The participants expressed their readiness to cooperate with the authorities; moreover they themselves will be involved in the process of solving their needs.
