

# **The Governor discussed the perspectives of rugby development in the region with the representatives of the Rugby Union**

20 September 2018

The main topic of the meeting for the Governor in Shida Kartli with the representatives of the Rugby Union of Georgia, was the achievements of Gori Rugby team “Jikebi” and its future plans. They discussed about developing strategies of this kind of sports in the region. Gaioz Moniava, President of Georgia Rugby Union Regional Development, introduced to the Governor in Shida Kartli the needs and perspective for making the rugby lifestyle more active at large.

In turn, Giorgi Khojevanishvili said that he is ready to facilitate all those initiations which will be important to make young generation get interested in sports and establish a healthy lifestyle.
